**Welcome to the NIHOA Online Registration Process**

The registration process starts here with the collection of \$50 towards your portion of NIHOA National dues - payment by credit card, debit card or check. Once payment has been received and you have selected your local NIHOA Chapter, you will receive a confirmation email and notification will also be sent to your chapter for local processing.

Your NIHOA registration is NOT complete until you meet all your local chapter requirements - you will receive additional follow-up information from your local NIHOA Chapter shortly defining local dues and requirements to complete your registration for the 2021-21 season.

National NIHOA dues are non-refundable - In the event, an official doesn't meet all local NIHOA Chapter requirements, no refunds will be issued.
